

A hand is pouring red wine from a dark glass bottle into a clear glass. The wine is captured mid-pour, creating a dynamic splash and bubbles in the glass. The background is a light, textured surface, possibly a wooden table.

Extensive packaging knowledge,
sourcing expertise and passionate
people who care about your wine.
We are TricorBraun WinePak.

Whether your needs are stock or custom, short or long
term, straightforward or complex, we have what it takes
to bring you the best integrated solution.

WHAT WE DO

TricorBraun WinePak is a premier packaging distributor supplying a broad variety of packaging components for the wine industry. With locations throughout North America, we provide access to the highest quality wine and spirits glass from multiple domestic and global sources. We also offer private and stock molds, full decorating services, capsules, STELVIN® closures from Amcor, repacking capabilities, enhanced design and engineering services, and the strongest sales and customer service support in the industry.

STOCK & CUSTOM PACKAGING

We know packaging. We'll help you design and develop a complete packaging solution tailored to your business' specific needs. Our skilled team of graphic designers, structural designers and packaging engineers can help you realize your vision. Whether you're looking for stock or custom, we'll provide you with exceptional packaging, expert guidance and a competitive edge.

QUALITY COUNTS

TricorBraun WinePak's Quality Assurance program sets a new standard in the industry by allowing us an unparalleled ability to help our partners enhance profitability and maximize bottling line efficiency. Our experienced staff carry out our robust quality program—domestically and globally—to thoroughly and meticulously inspect product, ensuring orders arrive safely and on time.

OUR PEOPLE

Packaging is a process with many variables. Fortunately, you can count on TricorBraun WinePak Packaging Consultants to meet every opportunity and address every challenge with an abiding passion. Our knowledgeable team is committed to taking the complexity out of packaging, offering the options and services our customers need to operate effectively and efficiently.

WHY WINEPAK

We simplify packaging procurement so you can focus on what you do best. Our experienced Packaging Consultants can guide you through our remarkable range of products and services, which take the complexity out of the design, packaging and distribution process. This frees you to deliver your wine with exceptional efficiency and confidence.

Bottles. Closures. Capsules. Repacking. Logistics. The most experienced packaging team in the industry. It's as easy as that.

SERVICES

DOMESTIC AND INTERNATIONAL SOURCING EXPERTISE

Sometimes the best bottle for a wine is nearby; sometimes, it's half a world away. Our strong relationships with domestic, Asian, Mexican and European glass sources give you access to a wide variety of stock packaging options, regardless of potential economic challenges. We make the process effortless so you can focus on preserving and promoting your wine's local character—no matter where the bottle itself originates.

REPACKING

Repacking is an easy step when you have the right system. In addition to sourcing the right bottles for your wine, WinePak has a state-of-the-art repacking system to neatly pack your bottles in custom cartons. Our system automates this time-consuming and labor-intensive task with speed and efficiency while keeping your shipments complete and on schedule.

LOGISTICS & WAREHOUSING

Our packaging logistics make sure your bottling components go where you need them, when you need them, in the most efficient and cost-effective way possible. We offer more available warehouse space than anyone else in the industry and in multiple locations throughout our service regions. Our barcoded inventory and enterprise resource planning system, which closely tracks inventory levels, enable us to provide your components on a just-in-time basis.

OUR PRODUCTS

In addition to a complete line of traditional bottles in all classic shapes, capacities and colors, we supply unique bottle styles, as well as small volume and large format bottles ranging from 375 ml to 18 liters.
